

## Classes and Summer Camps\* at the Somerset Location:

\*All classes and camps below include a hot lunch. Register separately for each camp or course online or using forms available at [www.somersetcolibrary.org](http://www.somersetcolibrary.org)

### Contemporary Issues in Animated Films

**(Disney/Pixar Theory) for Teens.** June 12- 16, 10am-2:30pm. Watch 10 Disney/Pixar films in chronological order in an attempt to breakdown the Pixar Theory which believes that all Disney/Pixar films are related and build off one another in their own sort of universe (based on ours).

**e-Textiles Camp for ages 8+** June 19-23, 10am-1pm. **Spaces:** 18 Review electronic circuit basics, then complete challenges to sew your own light-up electronics into fabric using conductive thread. **This is not a sewing class. Students should already have basic sewing skills.**

**Electronics & Robotics Camp for ages 8+** July 17-19, 10am-1pm. **Spaces:** 18

**Money Smart Camp for Teens**  
July 24-28, 11am-2:30pm

**Piper Computer Hardware Maker Camp for ages 9—18.** July 31—August 4, 10:30am-1:30pm. **Spaces:** 18 Campers will work in teams to assemble Piper computers themselves, advance through a Raspberry Pi Edition of Minecraft Story, and learn physical engineering and electronics in the process.

**Comic Book Creator Camp: Bricks, Camera, ...Comic Action! For ages 8+** August 7-11, 10 am-1:30pm **Spaces:** 16 **Ask about fees\*.** Led by Bricks 4 Kidz. Campers create digital comic books using stop action photos and scenes that they engineer with LEGOs.

Summer Learning activities, classes, and camps are made possible in part by a grant from the Somerset County Community Fund of the Community Foundation for the Alleghenies, supplemented by a Walmart Community Grant and donations from organizations and individuals in our community.

\*As of print time, funds were still being sought to defray costs.

**STEAM Rollers & STEAM Team Clubs** meet from 6pm-7pm every Monday . Different activities each week.

Dear Parents,

Your children are invited to join your Somerset County Library's Summer Learning Club where they can win prizes for reading and doing learning activities designed to keep their minds active over the summer. Because nutrition and learning go hand in hand, we are also offering hot lunches for children 18 and under through the USDA's Summer Food Service Program following each regular Club Meeting at the Somerset County Library's main location. This summer's theme, *Build a Better World*, explores different types of engineering, construction, and other STEAM activities. The Summer Learning Club Meetings are free and open to children of all ages and abilities.

See the Summer Learning Club brochure or visit the Somerset County Library, its Conemaugh Township Library branch, the SCFLS Bookmobile, or the website at [www.somersetcolibrary.org](http://www.somersetcolibrary.org) to register for the Summer Learning Club. We hope to see you at the Summer Learning Club!

Be sure to check out additional summer learning activities, classes, and summer camps available at our main, Somerset location as well!

Sincerely,

*Diane L. Ringler*

Diane L. Ringler, Summer Reading Coordinator

*Can't come to the Somerset County Library for programs and events?* You can still join the Summer Learning Club and win prizes for reading this summer! Just register and visit the Somerset County Library, the Conemaugh Township Library, or the SCFLS Bookmobile at least once to pick up your Reading Log and Activity Log and check out some books, then come back again to claim your prizes after you reach your reading goals.

**Last Day to Claim Prizes: August 31**

Register separately for classes and camps available at the Somerset location.
